Subject: autoclaves

Hi everyone,
John Zak was here last week to perform the quarterly PM on the autoclaves. John noted as several of the maintenance checklists that the interior of the units need to be cleaned. Cleaning the interior of the units is NOT included in the contract and each lab is responsible for cleaning up any spills in the autoclave chamber.

Below is a list of the autoclaves that need to be cleaned.

Room 703
Room 453
Room 303

Thanks,
Peggy DiNatale
